Dear Pavel

I am pleased to tell you that at the recent meeting of the Board of Examiners for Foundation Studies it was decided that you can progress to 1<sup>st</sup> year in Computer Science.

Your file will be transferred to your new Department and they will contact you later in the summer with further details and registration instructions.

I'd like to take this opportunity to wish you every success in your future studies, and to thank you for your patience and understanding in this most unusual of years. Well done!

Best wishes,
